[2] **2019 Primary and Secondary Full Time Enrolments (FTE):** School FTEs are based on student enrolment numbers provided annually by non-government schools to the department. All values have been rounded to the nearest number and schools with NP (Not Published) listed in their primary or secondary FTE have more than zero and less than six FTE.

[3] **2011 Census score:** SES Score calculated for the school using 2011 Census of Population and Housing and 2012 student residential addresses (with student residential addresses from later years used for schools commencing after 2012). See subsection 23(5) of the Australian Education Regulation 2013.

[4] **2016 Census score:** SES Score calculated for the school using 2016 Census of Population and Housing and 2017 student residential addresses (with student residential addresses from later years used for schools commencing after 2017). See subsection 23(5) of the Australian Education Regulation 2013.

[5] **2020 DMI two-year rolling average:** Average of the school's DMI scores for 2018 and 2019

(Otherwise, a determination was made to fund a school for the reasons mentioned in subsection 52(4) or section 53 of the Australian Education Act 2013.) In addition, as per sections 52 and 54 of the Australian Education Act 2013, the non-government schools listed below do not have a DMI score and their capacity to contribute percentage is 0%. Section 6 of the Act provides a definition of these schools.

MATSIS: Majority Aboriginal and Torres Strait Islander School

SP: Sole Provider School

SAS: Special Assistance School

Special: Special School

[7] **No DMI score can be calculated for this school because it is a new school or there is no available data for the school:** 2018 and 2019 DMI scores are not available for this school and the best of 2011 or 2016 SES score has been used. This score is considered by the department to be calculated in accordance with the Regulations.
